

Program: **Scratch** martin@wandsworthclc.com

Learning Objectives:

I can adapt a program for a purpose.

Skills:

Duplicate and adapt code to enhance a program.

Coding Revision : Get children to analyse piece of code using a variable to keep score.

Lesson: when children have finished their enhanced spiral rider program. Challenge them to add scores, different levels with more obstacles and different speeds for the fish sprite.

Challenge:

Ongoing program challenge.

Plenary:

Assessment opportunities:

See if the children are adapting their code for a purpose
